

APPLYING FOR MEDICAID AND SNAP BENEFITS?

ADRC CAN HELP YOU!

No longer will low-income seniors, disabled customers, and social workers have to wait at the Income Maintenance Administration to be processed for **Medicaid** benefits and the **SNAP (Supplemental Nutrition Assistance Program)** as the **ADRC** is available to assist clients with this process. Clients interested in receiving assistance in completing the necessary government forms for Medicaid and SNAP and having them quickly processed for their convenience can call the **DC ADRC** at (202) 724-5626 to schedule an **appointment** and have a staff member discuss the necessary documentations that clients must have to complete the paperwork process. **Applications are accepted and processed every Wednesday, Thursday and Friday from 9:00am to 3:00pm.**
